

Team,

We are excited to announce a new user interface with our payroll partner, Dominion Payroll. This new employee experience is user friendly to clock in and out, view your paystubs and even request time off! ?

To access the new user interface, you will want to go to dominionpayroll.net/cloudservice from any browser on your computer and/or mobile device or scan the QR code below! Dominion Payroll has built us a landing page (link) with everything you need to better use the platform. Be sure and download the [Employee User Guide](#) for reference.
